My name is Gabriela and I am a 4th Year Occupational Therapy student studying in Escola Superior de Tecnologias da Saude do Porto (Portugal). I'm doing a work about Occupational Science, more specifically "occupational narrative" (storytelling and storymaking). If anyone have material or articles about this subject, please send me?

Thank you very much!!

Gabriela

Hi Gabriela

These two references spring to mind:

Best wishes
Peter Richardson

Hi Gabriela, so additional references:
Jonsson, H., Josephsson, S., & Kielhofner, G.
